

Post saver box

Reduce postage with this "large letter" box

Now that Royal mail has introduced size based pricing, you can control your postage costs by using these special boxes that fit the maximum letter size. If packed incorrectly, second class postage for a 100g item would now increase by 190%. Manufactured from quality white or brown board with a tuck in flap, they also provide excellent protection.

Tall cardboard boxes

Perfect for tall items up to 1.2m high

Heavy duty, tall cardboard boxes with excellent resistance to crushing due to the strong double wall construction. Ideal for packaging and transporting items that must remain vertical e.g. ornaments, engineering components, joinery, flower arrangements, golf equipment and house plants.

- available up to 1200mm, that's almost 4 feet tall
- boxes supplied flat in packs of 5 for convenient storage
- simply seal with packaging tape
